

# Spring Valley's Bulldog Bulletin

Monday January 4, 2021

## Message from Mr. Cooper:

Hello everyone, Happy New Year and welcome back.

I truly hope that you were able to connect with family and friends, if only virtually, over the holiday and also find some time to refresh and recharge yourself.

By the time you receive this Bulletin, your child's teacher will have reached out to you and I hope that you have been able to connect with them regarding the plans and expectations for your child's learning, this week. If you were not available when they attempted to contact you, please reach out to them via email, found in the "[Spring Valley School Staff Directory](#)" or call the school, tomorrow, between 9 a.m. and 4:30 p.m. so that Carrie or I can assist you.

Have a great week and we look forward to seeing our students back in the building, hopefully, next Monday.

Mr. Cooper

## What you need to know:

- Virtual learning for all students from Jan. 4th to 8th. In-person learning scheduled to restart Monday, January 11th
- The safety and well-being of your child and your family comes first. This is the priority. We know it is not easy to accommodate learning at home. We also know that there can be a time of adjustment from in-person learning to online. We trust you to make decisions that are best for your family that prioritize everyone's safety and wellness.
- Teachers will spend some 'live teaching' (or synchronous learning) time with your child each day. These will be set times. If your child doesn't make it online for these sessions, please know we understand.
- Please let your child's teacher know if you are going to need paper copies of this week's learning. This will be printed at and distributed from the school, tomorrow (Tuesday). We will contact you when your child's package is ready for pickup.
- The office will be open, tomorrow, from 9:00 a.m. to 4:30 p.m. if you need to contact us.
- At this time, we don't have any computers at the school ready to loan out. More information will be coming if the school closure continues for longer than a week.
